CREEK**

**ROCK
TRAIL**

Why Upgrade the White Rock Creek Trail?

- Half the trail is only 8 feet wide, and in fairly bad shape
- The condition of the trail often becomes a safety hazard
- The trail is too narrow to host all the new trails joining
- The WRCT already has one of the highest cyclist density of all Dallas trails
- The WRCT can enable green transportation, access to DART stations and businesses
- The WRCT can offer a large variety of recreational opportunities for all of Dallas

So what needs to be done ?

Upgrade and widen the trail,
for all to enjoy

Make it more flood & mud
friendly

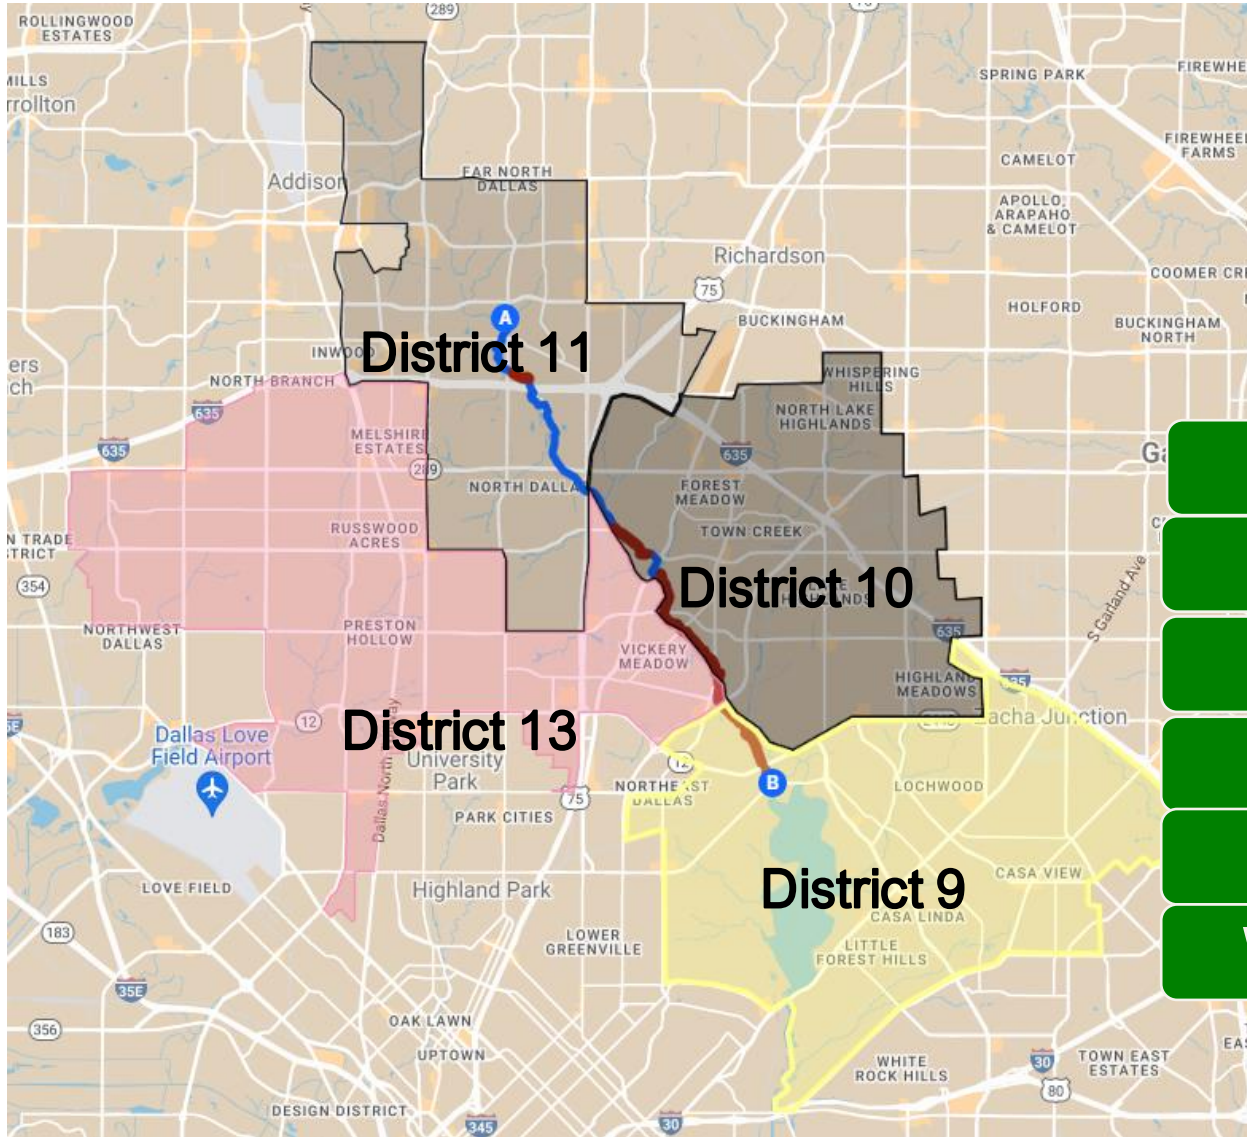

Keep it clean and safe

Beautify the Park, enable
more recreation

The White Rock Creek Trail crosses 4 Dallas Districts !

More trails (will) connect to the White Rock Creek Trail than any other existing trail in Dallas.

- Cottonwood
- Northaven
- Lake Highlands
- Watercrest
- Flagpole Hill
- White Rock Lake

Trail Master Plan

Crossing many Parks

Hillcrest Park
 Valley View Park
 Anderson Bonner Park
 Orbiter Park
 Northwood Park
 Harry S Moss Park
 Fair Oaks Tennis Center
 R. P. Brooks Park
 Olive Shapiro Park
 White Rock Lake

Making the WRCT a Place for Everyone to Enjoy!

Kayaking on the Creek

Separate Track for Bikers

Trailside Cafe

Access to Businesses

Birdwatching

Native flower gardens

Thank You!

- The White Rock Creek Trail and surrounding 800+ acres of nature reserve is a gem in the heart of the city.
- We need to invest to upgrade & widen the trail, implement more flood control solutions and make the park & creek more beautiful and attractive.
- We are seeking funding for these improvements through the upcoming Bond program, as well as other county and state funding options.
- We are requesting your strong support to include the White Rock Creek Trail upgrade in the Bond program.
